

1st Southeast Asian Animal Enrichment & Training Workshop 4-7 October 2010

Hosted by: Wildlife Reserves Singapore

In partnership with: Active Environments and Shape of Enrichment

Instructors: Gail Laule & Valerie Hare

Chair of Organising Committee: Diana Marlana

Wildlife Reserves Singapore (WRS) is pleased to announce the **1st Southeast Asian Animal Enrichment & Training Workshop**. This unique four-day workshop will present an array of topics relating to animal behavioural management with particular emphasis on environmental enrichment, positive reinforcement training techniques and problem-solving processes. The workshop is open to zookeepers, aquarists, managers, supervisors, curators, and veterinarians from the Southeast Asian and Australasian region.

The workshop will be conducted in English and will include both theoretical and practical aspects through discussions, small group projects, demonstrations, and hands-on enrichment and training opportunities with WRS' diverse animal collection at the **Jurong Bird Park, Night Safari and Singapore Zoo**. Skills taught will enhance the participants' ability to manage captive animal behaviour, enhance animal welfare, and improve the management of captive animals.

Participants who complete this workshop will be equipped with the basic knowledge and skills to allow them to apply these animal enrichment and training techniques in their home institutions. The workshop format is designed to maximise learning outcomes for each participant and by addressing specific needs and objectives.

Have fun while you interact, brainstorm and participate!

A registration fee of SGD\$520 includes the following:

- All workshop material, including a copy of [Don't Shoot the Dog](#)
- All lunch and tea breaks during the workshop
- Icebreaker and closing banquet
- Transportation between hotel and the workshop venue
- Tote bag and commemorative t-shirt
- A certificate of accomplishment
- A one-year free on-line subscription to The Shape of Enrichment
